One week: Culture Night, September 21, 2024

Urumqi, September 14, 2024

□ Dear art-loving friend!

I am writing to you from Urumqi, the capital of the Xinjiang Province in China where I have taken lots of new, unique photos.

Welcome to Culture Night on the 21st to view several new works produced this year—there is a lot to experience here.

I call the new exhibition that opens on September 21 "China and The West In The Making" - all about it here.

And Culture Night's Catalogue [here](#).

I believe in art as a tool for dialogue, bridge-building and cooperation. You'll see how...

That said, among the 100 works on display in my studio - and online, of course, there are also some that have nothing to do with China.

For the first time, you will experience the four main panels of **SPAR - Silk Peace Art Road** about the New Silk Roads - that I exhibited during the Venice Biennale in 2019. It's finally come home.

TAKE A MOMENT OF ARTFUL REST in your busy day. Look around my online home. There is, I guarantee, always something that will attract, provoke, surprise, challenge or simply make you smile...[at the beauty](#).

Welcome anytime online and by appointment in my studio!
