Little update and new works

Lund, October 18, 2024

□ Dear art-loving friend!

You'll always find my news on [Oberg PhotoGraphics' front page](#). This is merely a reminder...

Like last year, I am *not* participating in Art Night 2024 in Lund this coming Saturday. The - now former - authoritarian project leader, Fredrik Weerasinghe, decided to throw me out two years ago because I wrote my program text in English; in Sweden's most cosmopolitan town, it must be in Swedish ☹️ Furthermore, I happen to be visiting the Venice Biennale this coming weekend.

I have been told that I will be admitted in 2025.

Therefore, I will organise my own Art Night later; October is way too close to the Cultural Night in late September for anyone to arrange a new exhibition. But the event managers evidently don't coordinate.

I call the present exhibition that opened on September 21 "China and The West In The Making" - all about it here.

Continue reading below these new works:

"Stelato Fish And Faces" 2024 - See it here.

"Capitalism Keeps Eating 2024 - See it here

"Xinjiang # 1 - 2024

"Restaurant Rain" 2024 - [See it here](#)

Culture Night went exceptionally well.

60-70 people came around, and you may think that was not a lot, but there were 300+ other cultural events in Lund on the same day, and I am located a bit out from the city centre. And

quantity isn't everything - the appreciation and the long conversations were so rewarding.

Thanks to all who came to visit 'live' and online.

I believe in art as a tool for dialogue, bridge-building and cooperation. You'll see how...

That said, among the 100 works on display in my studio - and online, of course, there are also some that have nothing to do with China.

For the first time, you will experience the four main panels of *SPAR - Silk Peace Art Road* about the New Silk Roads - that I exhibited during the Venice Biennale in 2019. It has finally come home.

TAKE A MOMENT OF ARTFUL REST in your busy day. Come around or see many of the new works *online*. There is, I guarantee, always something that will attract, provoke, surprise, challenge or simply make you smile...*at the beauty*.

Welcome anytime online and by appointment in my studio!

And see you soon to my Art Night...
