**Art Night Open Gallery on December 7, 2024**

Lund, November 23, 2024

□ Dear art-loving friend!

You'll always find my news on [Oberg PhotoGraphics' front page](#). This is merely a reminder and a warm welcome to my many new subscribers.

Last time, I wrote that I would have my own **Art Night - Open Gallery** because I was not in Lund at the official one in October.

**So, if you are around Southern Sweden, you are so welcome on Saturday, December 7 - two weeks from today - between 14:00 and 21:00.**

If you visited at Cultural Night in September, there will only be a few new things to see, but seeing my friends, having a drink and talking is *always* lovely.

But if you did not visit or visit online, there is so much and so varied to see: Over 400 works online, my catalogue raisonné!

And since Xmas is coming up, perhaps you need an absolutely unique gift?

**I call the present exhibition "China and The West In The Making" - all about its roughly 100 displayed works here** - and it is to *that* works are added as I make them.

Continue reading below these new works:

Robert Rauschenberg  
"Ceiling And Light Bulb"  
1960

Jan Oberg  
"Wall And Light Bulb"  
2014

I believe in art as a tool for dialogue, bridge-building and cooperation. You'll see how...

That said, among the 100 works on display in my studio - and online, of course - there are many that have nothing to do with China: peace and war, collages, portraits, old prints on metal, Polaroids...

You will experience the four main panels of **SPAR - Silk Peace Art Road** about the New Silk Roads - that I exhibited during the Venice Biennale in 2019. It has finally come home.

TAKE A MOMENT OF ARTFUL REST in your busy day. Come around or see many of the new works **online**. There is, I guarantee, always something that will attract, provoke, surprise, challenge or simply make you smile...**at the beauty**.

Welcome anytime online and by appointment in my studio!

And see you soon to my Art Night...
